

# Intercultural Forum Training

*A training course to deepen your forum skills & your intercultural competences*

19.-23.07.2017 at ZEGG

New leadership qualities are created through synergies of groups and teams who are in processes of co-creation & cooperation. We learn how to use consciously our intuitive perception & the power of our feelings in order to become more empathic and to deepen our connection amongst us as human beings.

- To get familiar with ZEGG Forum Training
- To learn tools of Intercultural Communication & Possibility Management
- To explore the Power of Feelings
- To get to know yourself and others in a better way
- Meditation, interactive games, singing & dancing

*Synergies for new Leadership*

with Dirk Adams  
& Ina Meyer-Stoll
